

PUTNEY RANGERS FOOTBALL CLUB

2010 WINTER SEASON

UNDERS 16'S

Putney Rangers is pleased to announce that the club will be seeking to have an Under 16's squad in 2010. This will bridge the gap between the Under 15's and Under 17's that has been missing in recent years.

The Squad will be headed up by Peter Raptis who has 35 years playing experience including Premier & State League experience. Peter also holds a Youth Coach Licence from Football NSW. Those that know Peter are aware of his dedication and enthusiasm to not only ensure the boys play at their best but that they also enjoy themselves and respect their team mates, opponents and the game itself.

Managing the team will be Con Vasilikas, an experienced Manager who has managed juniors for a number of years including Indoor teams as well. Con also brings great dedication and efficiency to the club and the team.

Putney Rangers are very excited about the addition of Peter and Con helping to continue the growth of our club.
